

# THE HOUSE ARTISTIC

1915

**S**OME of the new wall papers which have just come to hand are so very attractive and in line with cultivated taste that we have selected for illustration some which, we trust, will be of special interest to you. The remarkably moderate cost of these pretty patterns, and the general demand for more refined and artistic decorations, lead us to expect a busy season. May we hope your interest in the matter will induce you to visit us while our stock is complete?

Respectfully,
